FROM THE EAST

Brothers,

I hope you have all a great start to the year! 2018 is looking to be a great year for Eureka #20. Our stated this month will be on Feb. 5th and I hope to see as many of you as possible. We will be having dinner and fellowship starting at 6:30pm, with our stated starting promptly at 7:30pm with refreshments after the meeting. This month we will also have the pleasure of raising Brother Peirce Young to the Sublime Degree of Freemasonry! The degree will be held on Feb 26th, with a practice on the 19th. I would encourage all our brothers to be there and participate in the degree!

Fraternally,
Mike Guthrie, WM

FROM THE WEST

Greetings from the South,

We are already into the 2nd month of the year. Lots of exciting stuff coming up in the next 3 months. Come to Lodge for fellowship, a good meal, and helping us plan for the year for what you want to accomplish. We have Pierce Young's 3rd degree coming up in February. There also is a special one-night Free Mason's movie that will be held Thursday, Feb. 8th, at 7:30pm with the director of the movie having a Q&A afterwards with the audience about where we are today with Free Masonry. We can chat about this in our Feb. 5th meeting and plan to go to dinner together before the movie if any of my brothers would like to go with me. Also, news regarding our newest Eureka petitioner: we had a very good meeting with Ivan Londura, on the 30th of January. It was a very nice meeting that Gordon, Kirk, and myself had meeting with Ivan at his house. Ivan is planning to attend dinner on the 5th so I encourage all our brothers to attend the February 5th meeting next Monday to meet him. Also, there is a Lodge Leadership weekend in Mid-March and our yearly support of the Washington State Science, Technology, and Engineering Fair in March too.

Respectfully,
Kent Curtis, SW

TIDINGS FROM THE SECRETARY

Brethren,

Eureka kicked off the New Year on January 8th. Make this the year that you visit and support YOUR Lodge!!

Remember, Those of you who have NOT paid your 2018 dues are not only arrears in Eureka Lodge, but this also affects all other Masonic bodies you belong, too. Send in your dues to be in compliance with your obligation of a Mason of answering all do signs and summons.

On a personal note, I wish to thank Bro. Elias for assisting me with the Trestleboard. The improvement in the design is totally Bro. Elias's handiwork. He does this from the confines of his "undisclosed" hide-away in New York, balancing it with his busy schedule. I offer a hearty thank you to Bro. Elias for his continued contribution to Eureka.

Fraternally,
Rick Becker, PM
Secretary

DID YOU KNOW...

In China, about 300 B.C., Mencius wrote "A master Mason, in teaching his apprentices, makes use of the compasses and the square. Ye who are engaged in the pursuit of Wisdom, must also make use of the compasses and the square." Additionally, in a book called Great Learning, 500 B.C., we find that "A man should abstain from doing unto others what he would not they should do unto him; and this is called the principle of acting on the square."

Lux in Tenebris Lodge # 3856 in London is for blind Masons. The Latin words mean "Light in Darkness."

A Brother was initiated on August 23, 1879 by Lodge #239 in a balloon flying over Paris .

Of the early American Astronauts, John Glenn, L. Gordon Cooper, Virgil I. (Gus) Grissom, Edwin E. Aldrin, Jr., Thomas P. Stafford, and Donn F. Eisele were members of our "Gentle Craft."

The first registered livestock brand in Montana was the Square and Compasses dating back to before May 25, 1872 when brands were first registered. It is still in use today.

HAPPY FEBRUARY BIRTHDAYS
